Re: Better City Superior Exposition District

Teamsters General Local Union No. 346 fully supports the Better City Superior Exposition District and asks that you too support this initiative.

The Better City Superior Exposition District will help grow the City of Superior by redeveloping its downtown area. This will help move business forward and create additional good paying construction jobs. Not only will it create jobs and grow new business opportunities, but this initiative will create a sense of pride within the surrounding communities and would increase tourism dollars substantially.

Teamsters General Local Union No. 346 is asking for your support on creating the Superior Exposition District.

Thank you,
